# Alpine Swiss Villages & Rails

## ***PLEASE READ! Activity & Altitude Note –***

**Please note, this exciting program is active with daily walking, train rides and other modes of transportation like cable cars, boats, motor coaches & buses. Program is not appropriate for wheelchair or other mobility aids. The village of Wengen sits at an altitude of 4,200 ft. Max elevation of included sightseeing is 7,600 ft. Optional excursions are weather permitting and feature high altitudes up to 11,300 ft. (Jungfrauoch). Please check with your doctor if altitude is a potential health concern if considering the optional sightseeing. Order of days is subject to change due to weather.**
